**What is your favorite thing about being on the basketball team?**

I can play with others and make great basketball shots.

**What does it mean to be a senior on the basketball team?**

It means that you're a team leader and you can show others how to do well and improve mistakes.

**What does being a leader mean to you?**

A leader is someone who takes charge and respects everyone.

**How has Special Olympics impacted you?**

It has shown me how to work with others who need help and to work together.

**What do you like about playing at the Special Olympics "Pack the Stands" game?**

It's a good way to get support for the team from the school. I liked playing because it was my final year on the basketball team, and I liked playing against teachers.
